Without prejudice to the limitations laid down for specific areas of the national territory pursuant to Article 1, paragraph 3, of Decree-Law N° 33 of 2020, as well as the limitations laid down in relation to the origin of specific States and territories pursuant to Article 1, paragraph 4, of Decree Law N° 33 of 2020.

➤ Pursuant to **Article 7** of the Decree of the President of the Council of Ministers of 14 January 2021, without prejudice to the prohibitions and restrictions on entry into Italy laid down in Article 6, any person entering the national territory for any period from foreign States or territories listed in **Lists B, C, D, and E of Annex 20** shall hand over to the carrier at the time of embarkation and to any person responsible for carrying out checks a declaration made pursuant to Articles 46 and 47 decree of the President of the Republic of 28 December 2000, No 445, indicating, in a clear and detailed manner, such as to allow verifications, of:

- a)** Foreign countries and territories in which the person has stayed or transited within 14 days prior to entry into Italy;
- b)** reasons for the move in accordance with Article 6, in the case of entry from states and territories referred to in **List E of Annex 20**;
- c)** in the case of stay/transit in the 14 days prior to entry into Italy in the States/territories referred to in **Lists D and E of Annex 20**
  1. address of the home/dwelling in Italy where the period of health surveillance and trust isolation will be carried out;
  2. private means of transport that will be used to reach the place referred to in number 1) or, exclusively in case of entry into Italy by airliner, additional airliner whose use is expected to reach the final destination location and the identification code of the travel ticket;
  3. telephone number where to receive communications during the period of health surveillance and trust isolation;
  4. possible existence of one or more circumstances referred to in Article 8 paragraph 8.

In the cases provided for in this Decree and in other cases where this is prescribed by the health authority within the framework of the safety protocols provided for, it is mandatory to submit to the carrier, at the time of embarkation and to anyone responsible for carrying out the checks, a certificate that they have undergone, within **48 hours** prior to entry into the national territory, a swab molecular or antigenic test, having negative result.

Persons who have stayed or transited, in the fourteen days prior to entry into Italy, in states or territories listed in **Lists C, D, and E of Annex 20**, even if asymptomatic, are obliged to immediately notify their entry into the national territory to the Department of Prevention of the health company competent for the territory.

In the event of COVID-19 symptoms' onset, it is also obligatory to report this situation immediately to the Department of prevention at the competent local health unit (ASL) through the pertinent telephone numbers and start fiduciary isolation while health authorities are taking actions for the specific case.

➤ In accordance with **Article 8** of the aforementioned DPCM, **persons who have stayed/transited, within 14 days prior to entry into Italy**, into states or territories referred to in **Lists D and E of Annex 20**, even if asymptomatic, must comply with the following obligations:

- a)** they make the journey from the place of entry into Italy to home/dwelling where the period of health surveillance and fiduciary isolation will be carried out **exclusively with the private means** as provided for by Article 7, paragraph 1, lett.c), except in the case of airport transit referred to in paragraph 2;
- b)** they shall be subject to health surveillance and fiduciary isolation for a period of fourteen days at the dwelling or home indicated in accordance with Article 7(1)(c).

By way of derogation from paragraph 1(a), in the case of entry into the national territory by means of airliner transport, it is permissible to continue, by other airliner, the journey to the final destination indicated in the declaration referred to in art. 7, par. 1(lett. c), provided that it does not leave the areas specifically intended within the aerostations.

In the case referred to in paragraphs 1 and 2, if from the place of entry into the national territory or from the place of disembarkation from the means of entry into Italy it is not possible to actually reach by private means of transport the dwelling or home, indicated as the place of carrying out the period of health surveillance / fiduciary isolation, without prejudice to the verification by the judicial authority regarding the possible falsity of the declaration made at the time of embarkation pursuant to Article 7, c. 1.,c), the competent health authority for the territory immediately informs the Regional Civil Protection which, in coordination with the Civil Protection DPT of the Presidency of the Council of Ministers, determines the modalities and place where to carry out health surveillance / fiduciary isolation, with expenses borne exclusively by the persons subject to the aforementioned measure. In case of the onset of COVID-19 symptoms, the subjects referred to in the previous period are obliged to report this situation promptly to the Health Authority.

In the case of stay or transit within fourteen days prior to entry into Italy of one or more States and territories listed in **List C of Annex 20**, the following preventive measures shall apply:

- a)** obligation to submit to the carrier at the time of embarkation and to anyone responsible for carrying out the checks of the certificate that they have undergone, in the **48 hours** prior to entry into the national territory, a molecular or antigenic test, carried out by means of a swab and a negative result. In the event of non-submission of the attestation referred to in this letter, paragraphs 1 to 5 (14-day fiduciary isolation) shall apply;

Provided that there are no symptoms of COVID-19 and without prejudice to the obligations referred to in art. 7, those provisions shall not apply to:

- a)** the crew of the means of transport;
- b)** travelling staff;
- c)** movements to and from the States and territories listed in **List A of Annex 20**;
